WOODFIBRE SOURCING AND DUE DILIGENCE:

The mill is certified against ISO 9001, 14001, and 45001 ([212991-2017-AHSONLD-RvA](#)), FSC® ([SGSCH-COC/CW-003171](#); FSC® C015022), and PEFC ([SGSCH-PEFC-COC-000387](#); PEFC/07-32-76) Chain of Custody standards. Sappi exclusively procures woodfibre raw material which meets at least the requirements of FSC Controlled Wood as well as PEFC and SFI (where applicable) Due Diligence System (DDS) requirements. Sappi's DDS complies with the requirements of the [EU Timber Regulation](#) (EUTR-Regulation (EU) No 995/2010), and also with the US Lacey Act, Australian Illegal Logging Prohibition Act, and UK Timber and Timber Products Placing on the Market Regulations (UKTR). All fibre procurement is in accordance with the commitments and ambitions stated in the [Sappi Group Woodfibre Procurement Policy](#). Tree species identified as endangered by the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) are neither utilized nor imported. Based on Sappi's own and the PEFC and FSC positions, any utilization of Russian or Belarussian wood was suspended in March 2022 until further notice. All certificates are available at [sappi.com](#).
